OCR investigates discrimination complaints against institutions and agencies which receive funds from the U.S. Department of Education and against public educational entities and libraries that are subject to the provisions of Title II of the Americans with Disabilities Act. Please identify the institution or agency that engaged in the alleged discrimination. If we cannot accept your complaint, we will attempt to refer it to the appropriate agency and will notify you of that fact.

4. The regulations OCR enforces prohibit discrimination on the basis of race, color, national origin, sex, disability, age or retaliation. Please indicate the basis of your complaint:

5. Please describe each alleged discriminatory act. For each action, please include the date(s) the discriminatory act occurred, the name(s) of each person(s) involved and, why you believe the discrimination was because of race, disability, age, sex, etc. Also please provide the names of any person(s) who was present and witnessed the act(s) of discrimination.

The La Sierra administration has repeatedly refused official status to an LGBT student group formed by Cameron and others. Cameron fears expulsion for same-sex dating, in part because La Sierra officially endorses doctrine stating that "sexual acts outside of heterosexual marriage are forbidden." La Sierra officials have repeatedly refused to address complaints of discrimination on campus submitted by Cameron and others. See attached declaration.

6. What is the most **recent date** you were discriminated against?

Date: Current, Ongoing

7. If this date is **more than 180 days ago**, you may request a waiver of the filing requirement.

X I am requesting a waiver of the 180-day time frame for filing this complaint.

Please explain why you waited until now to file your complaint.

1) the Covid-19 pandemic;
2) The Trump administration's policies and statements about religious exemptions to Title IX;
3) The Trump administration's policies and statements about Title IX not prohibiting discrimination on the basis of sexual orientation or gender identity.
4) Although the initial act of discrimination took place more than 180 days ago, Cameron's complaint should not be considered time-barred because La Sierra continues to discriminate against Cameron and to promulgate policies and practices that discriminate against LGBTQ+ students.

8. Have you attempted to resolve these allegations with the institution through an internal grievance procedure, appeal or due process hearing?

Yes

If you answered **yes**, please describe the allegations in your grievance or hearing, identify the date you filed it, and tell us the status. If possible, please provide us with a copy of your grievance or appeal or due process request and, if completed, the decision in the matter.

See attached declaration.

9. If the allegations contained in this complaint have been filed with any other Federal, state or local civil rights agency, or any Federal or state court, please give details and dates. We will determine whether it is appropriate to investigate your complaint based upon the specific allegations of your complaint and the actions taken by the other agency or court.

Agency or Court: U.S. District Court - District of Oregon - Eugene Division

Date Filed: 03/29/21

Case Number or Reference: 6:21-cv-00474-AA

Results of Investigations/Findings by Agency or Court: Pending

10. If we cannot reach you at your home or work, we would like to have the name and telephone number of another person (relative or friend) who knows where and when we can reach you. This information **is not required**, but it will be helpful to us.

Not applicable

11. What would you like the institution to do as a result of your complaint — what remedy are you seeking?

Prevent conflicts of interest by separating Title IX officer positions from administrative positions involved in enforcing student codes of conduct/honor code and prevent the sharing of information from Title IX office to administrative offices involved in enforcing student codes of conduct/honor code.

Cameron would also like La Sierra's policies amended to state that (1) same-sex dating relationships and displays of affection will be treated by La Sierra in the same manner as opposite-sex dating relationships and displays of affection; (2) students will not be punished for coming out as LGBTQ+ or for expressing their sexual or gender identity (through pronouns, clothing, hair, makeup, etc.); (3) La Sierra will not encourage or facilitate conversion therapy or any other sexual or gender orientation change efforts; (4) students who report sexual or physical assault will be granted safe harbor from discipline relating to sexual activity or other code of conduct violations; and (5) La Sierra's non-discrimination policy includes sexual orientation and gender identity as applied to all aspects of La Sierra, including housing and other programs.

Re: La Sierra University
OCR Case No. 09-21-2314

Dear Ms. Swain:

On July 27, 2021, the United States Department of Education's Office for Civil Rights (OCR) received your complaint against La Sierra University. You filed the complaint on behalf of a student at the University, whom we will refer to as the Student, and on behalf of other LGBTQ students at the University. You allege that the University discriminates on the basis of sexual orientation and gender identity. Specifically, you allege that:

- 1) The University is discriminating against the Student and other LGBTQ students on the basis of sexual orientation and gender identity by refusing to officially recognize the LGBTQ student group on campus (Allegation 1);
- 2) The University is discriminating against the Student and other LGBTQ students on the basis of sexual orientation and gender identity because its policies and practices, including in its current student handbook, endorse the Seventh-day Adventist doctrine on homosexuality, stating that sexual intimacy belongs only within the marital relationship of a man and a woman (Allegation 2); and
- 3) The University discriminated against the Student on the basis of sexual orientation and gender identity by failing to address their two complaints to the University in 2018, which alleged that a faculty member made homophobic comments in the classroom and a guest lecturer made comments disparaging LGBTQ individuals (Allegation 3).

OCR enforces Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. § 1681 *et seq.*, and its implementing regulation at 34 C.F.R. Part 106, which prohibit discrimination on the basis

The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.

of sex in any education program or activity operated by a recipient of federal financial assistance from the Department. As a recipient of financial assistance from the Department, the University is subject to Title IX.

OCR is opening Allegations 1 and 2 for investigation because OCR has determined that it has jurisdiction, that these allegations were timely filed, and that they are appropriate for investigation under the laws and regulations enforced by OCR. If you disagree with the way OCR stated Allegation 1 or 2, please contact the OCR staff person identified below within 10 days of the date of this letter.

Please note that opening the allegations for investigation in no way implies that OCR has made a determination with regard to their merits. During the investigation, OCR is a neutral fact-finder, collecting and analyzing relevant evidence from you, the University, and other sources, as appropriate. OCR will ensure that its investigation is legally sufficient and fully responds to the allegations in accordance with the provisions of Article III of OCR's *Case Processing Manual* (CPM), available at <https://www2.ed.gov/about/offices/list/ocr/docs/ocrcpm.pdf>. In accordance with the CPM, OCR will provide a copy of the complaint to the University.

After carefully reviewing the information you provided, OCR has determined that it will not investigate Allegation 3. According to the Student, the allegation concerning the University's failure to address their two discrimination complaints occurred in the spring and winter of 2018. As explained in Section 106 of the CPM, OCR generally will take action only with respect to allegations that are filed within 180 days of the alleged discrimination unless OCR grants a waiver under Section 107 of the CPM. You filed this complaint on July 27, 2021, more than 180 days after the University allegedly discriminated against the Student in the spring and winter of 2018.

You requested a waiver of the 180-day filing requirement for Allegation 3 on the following bases:

- 1) the COVID-19 pandemic;
- 2) the Trump administration's policies and statements about religious exemptions to Title IX;
- 3) the Trump administration's policies and statements about Title IX not prohibiting discrimination on the basis of sexual orientation or gender identity; and
- 4) although the initial act of discrimination took place more than 180 days ago, [the Student's] complaint should not be considered time-barred because the University continues to discriminate against [the Student] and to promulgate policies and practices that discriminate against LGBTQ+ students.

OCR has reviewed your request and declines to waive OCR's 180-day deadline. OCR is accordingly dismissing Allegation 3 as untimely under Section 108(d) of the CPM.

You have a right to appeal OCR's dismissal of Allegation 3 within 60 calendar days of the date indicated on this letter. An appeal can be filed electronically, by mail, or by fax. You must either submit (1) a completed appeal form online at <https://ocrcas.ed.gov/content/ocr-electronic-appeals->

form or (2) a written statement of no more than 10 pages (double-spaced, if typed) by email to OCR@ed.gov, by fax to 202-453-6012, or to the Office for Civil Rights, U.S. Department of Education, 400 Maryland Avenue SW, Washington, D.C. 20202. The filing date on an appeal is the date the appeal is postmarked, submitted electronically, or submitted by fax. In the appeal, you must explain why you believe the factual information described here was incomplete or incorrect, the legal analysis was incorrect, or the appropriate legal standard was not applied, and how correction of any error(s) would result in the case being opened for investigation; failure to do so may result in dismissal of the appeal.

OCR would like to make you aware that individuals who file complaints with OCR may have the right to file a private suit in federal court whether or not OCR finds a violation.

This letter sets forth OCR's determination in an individual OCR case. This letter is not a formal statement of OCR policy and should not be relied upon, cited, or construed as such. OCR's formal policy statements are approved by a duly authorized OCR official and made available to the public.

Please be advised that the University must not harass, coerce, intimidate, discriminate, or otherwise retaliate against an individual because that individual asserts a right or privilege under a law enforced by OCR or files a complaint, testifies, assists, or participates in a proceeding under a law enforced by OCR. If this happens, the individual may file a separate retaliation complaint with OCR.

Under the Freedom of Information Act (FOIA), it may be necessary to release this document and related correspondence and records upon request. If OCR receives such a request, we will seek to protect, to the extent provided by law, personally identifiable information that could reasonably be expected to constitute an unwarranted invasion of personal privacy if released.
